ENROLMENT DEPOSIT, METHOD AND CONDITIONS OF PAYMENT

UK/EEA students

Privately funded UK/EEA students wishing to enroll need to pay a deposit towards fees of £250 on the day they are accepted. The balance of fees must be paid yearly in advance or in two installments at the start of Terms 1 and 2.

Student Finance

Candidates, who are applying to the Student Loans Company (SLC) for a course fee loan and/or maintenance loan, will not be required to pay a deposit. Students under the student finance route will have their fees paid directly to the college (or its collaborative partner) by the SLC. However, a registration fee of £250 will be payable by students upon course commencement. For two year courses, at the start of Year 2 a further £100 BTEC assessment fee will also become due. Note: Course fees do not include books and materials.

International students

DGHE is not currently enrolling international students. The Centre is awaiting a decision from the Office for Students (OfS) on its Registration application and when approved will be applying for a Tier 4 licence from the UKVI so that it may issue CAS to international applicants. This is anticipated to commence from May 2021. If you have any queries please contact the DGHE Admissions Office.
