ENROLMENT DEPOSIT, METHOD AND CONDITIONS OF PAYMENT

UK/EEA students

Privately funded UK/EEA students wishing to enroll need to pay a deposit towards fees of £250 on the day they are accepted. The balance of fees must be paid yearly in advance or in two installments at the start of Terms 1 and 2.

Student Finance

Candidates, who are applying to the Student Loans Company (SLC) for a course fee loan and/or maintenance loan, will not be required to pay a deposit. Students under the student finance route will have their fees paid directly to the college (or its collaborative partner) by the SLC. However, a registration and BTEC assessment fee of £250 will be payable by students upon course commencement. For two year courses, at the start of Year 2 a further £100 BTEC assessment fee will also become due. Note: Course fees do not include books and materials.

International students

International students wishing to enroll need to pay a deposit towards fees of £1000 on the day they are accepted. On Induction Day, or at the latest on commencement of the course, the balance must be paid in full. Overseas students requiring a student visa must have paid the full fees, before Confirmation of Acceptance for studies (CAS) can be issued.

Fees may be sent to or paid at the College, or paid direct to the College Bank Account:

Refunds and course cancellation policy - Once you have been enrolled on a course you become liable to make payment of the fees and no refunds or course transfers are allowed, other than in exceptional circumstances and at the College's discretion. Furthermore, any deposits you have paid are non-refundable. It should also be noted that for students on loans from the SLC, where payment of course fees is made directly to the college (or its collaborative partner) by SLC on a termly/monthly basis, if a student fails to return for studies after a term/month has started, and fails to achieve the college of their withdrawal in advance, the college will still claim payment from SLC for that term/month as per its terms and conditions of the course cancellation policy.
