

# Drop-in Sessions

[Drop in sessions](#) is a space timetabled on a termly basis, which is dedicated to support students with various academic matters such as:

- Students having difficulties with course assessments
- Students that need one-to-one academic support
- Students that have to re-sit or re-submit work from previous terms
- Students that have been referred to the session by the ILP Tutor or Welfare Officer and are classified as "At RISK".

These sessions are a great opportunity to get some quick and effective advice. Drop-in sessions are held at DGHE campus and students are limited to 20 minutes each.

Advance booking is required and they can be arranged at DGHE reception or online via [DGHE VLE \(Moodle\)](#).
